

# Reading Log!

Each student is expected to read at least 20 minutes each night, or 140 minutes each week. Some days you may choose to read for a longer time frame than other days. To document how many minutes are read, you will complete the front and back of this reading log (unless otherwise specified). Reading logs will be due Monday morning (or at the beginning of the week).

Week of: \_\_\_\_\_

| Date | Title | Author | Start Page | End Page | # of Minutes | Rating (1-5 stars) |
|------|-------|--------|------------|----------|--------------|--------------------|
|      |       |        |            |          |              |                    |
|      |       |        |            |          |              |                    |
|      |       |        |            |          |              |                    |
|      |       |        |            |          |              |                    |
|      |       |        |            |          |              |                    |
|      |       |        |            |          |              |                    |
|      |       |        |            |          |              |                    |
